Join us to discuss several pending bills in the upcoming 2019 legislative session and to meet fellow supporters in your legislative district.

And, meanwhile, call your legislators now in-district asking them to sign on as co-sponsors to two very important bills. Pierce County has 18 legislators who deserve to hear from you.

“As a supporter of Universal Health Care, we hope you will co-sponsor two bills to bring Universal Health Care to all Washington residents.

The first bill is a “bridge bill” that takes immediate steps toward providing affordable coverage for all and laying the foundation for a true state-based single payer system. It is currently being written by Rep. Macri and Sen. Frockt.

The second bill is the Washington Health Security Trust, prime sponsored by Rep. Appleton.

Neither has a number yet, but we can get you that information before Jan. 14th.

We are eager to meet with you in-district if you have any questions. Thank you.”

The following Pierce Co. legislators have been past co-sponsors of **the Washington Health Security Trust bill (WHST)** or one who declared herself a supporter in the recent election campaign.

Past co-sponsors of the WHST bill, HB 1026 in 2017-18 session:

★ Sen. Jeannie Darneille (D-27) ★ Rep. Jake Fey (D-27) ★ Rep. Laurie Jinkins (D-27)

★ Sen. Steve Conway (D-29)

A declared supporter of a “WHST-like” bill in the 2019-20 session:

★ Melanie Morgan, LD 29
